#### 3. Important production and sales strategies:

- ① Domestic sales market: Continue to develop new products, satisfy needs of each major distributor by rich and diversified product lines as well as sufficient inventory, prepare online catalogs, and actively conduct the sales promotional activities for the purpose of attracting more consumers and new distributors to join
- ② Export market: In face of diversification and versatility of products, continue to improve technical ability, and expedite production efficiency; meanwhile ensure product quality by strict manufacturing processes, provide customers with desirable products, and deepen cooperation with customers by professional and enthusiastic service.
- ③ Pay attention to industry trends, new product development, and raw materials changes, grasp important information in the market, and implement various sustainable development of business in combination with environmental protection issues.
- Deliver shipments of goods on time, based on customers' delivery time. The document machines and binding machines for export can be shipped subject to

customers' demands; pay attention to inventory and price of materials, maintain product quality and price competitiveness; meanwhile develop related products of the document machines, and enhance product assembly and manufacturing technology.

S Actively promote recycling and reuse of PP boards, reduce purchasing rate of new materials in order to achieve the goal of environment protection, obtain certification of recycled materials, and upgrade the added value, actively promote green economy to create green business opportunities; investigate foreign information on use and sales of PP boards, and evaluate overseas sales opportunities.

#### **(II)** Future development strategy:

① Development of new customers and acquisition of new orders:

Actively participate in important exhibitions at home and abroad, demonstrate excellent product process technology and quality, visit new and old customers, and develop potential customers, provide customers with desirable products with enthusiastic service, trustworthy quality, and timely shipment. In terms of products for domestic sales, explore new projects from institutional groups and government departments and win their orders, and enhance product sales performance.

② Exploit overseas production bases and outsourcing:

Pay attention to changes of the international tariff policies and conditions of the textile garment industry in countries of the Association of Southeast Asian Nations, flexibly adjust order distribution strategy, and ensure stable supply of products; evaluate exploitation of overseas productions bases and order outsourcing, and meanwhile train excellent personnel, and strengthen the overall production capability in order to cope with market changes.

③ Optimization of new equipment:

Continue to replace equipment in each factory area, import various automation machines, match use of digital software, increase output of machines with precise and effective utilization, conduct statistics and analysis of backend big data, and achieve energy-saving and output maximization.

② Save energy, reduce carbon, and build greenhouse gas inventory:

The factory area is equipped with solar energy for self-used power generation; make full use of green electricity, and optimize power generation effects, check use of various energy in the factory area, build data of greenhouse gas emission, and take realistic actions to carry out energy-saving and carbon reduction policy and to do our best to fulfil corporate social responsibility.

© Price negotiation of raw materials and stock management: Strengthen price negotiation of raw materials, develop new suppliers, reduce production cost, create profit, activate stock, and increase product value.

Looking forward to the future, the international political and economic situation is full of variables, which still test the global economy. In face of multiple risks such as related future development, and climate changes of force majeure, Tahsin will be diligently prepared to take an active attitude to respond to future changes, continue to step towards and comply with sustainable operation, adhere to concepts of integrity, take social responsibilities, and promote business value. With internal cultivation and external area exploitation, we strengthen competitive edge, create stable profit, and share operation results with all stakeholders.

#### **Independent Auditors' Report**

To Tahsin Industrial Corporation:

#### **Audit Opinion**

Tahsin Industrial Corporation's Parent Company Only Balance Sheets as of December 31, 2024 and 2023, in addition to the Parent Company Only Statements of Comprehensive Income, Parent Company Only Statements of Changes in Equity, Parent Company Only Statements of Cash Flows, and Notes to the Parent Company Only Financial Statements (including the Summary of Significant Accounting Policies) from January 1 to December 31, 2024 and 2023, have been audited by the CPAs.

According to our opinion, the Parent Company Only Financial Statements mentioned above have been prepared in accordance with the "Regulations Governing the Preparation of Financial Reports by Securities Issuers" in all material aspects, and are considered to have reasonably expressed the parent company only financial conditions of Tahsin Industrial Corporation as of December 31, 2024 and 2023, as well as the parent company only financial performance and cash flows from January 1 to December 31, 2024 and 2023.

#### **Basis for Opinion**

We conducted our audit in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and auditing standards. Our responsibilities under those standards are further described in the section titled "Auditor's Responsibilities for the Audit of the Parent Company Only Financial Statements." We are independent from the Company pursuant to the Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other responsibilities in accordance with these requirements. We believe we have obtained sufficient and appropriate audit evidence to serve as a basis for our opinion.

#### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Parent Company Only Financial Statements of Tahsin Industrial Corporation for the year ended December 31, 2024. Such matters have been dealt with in the course of auditing and compiling the parent company only financial statements and in the preparation of our audit opinion. As such, we do not respond to each key matter individually. The key audit matters for the parent company only financial statements of Tahsin Industrial Corporation for the year ended December 31, 2024 are as follows:

#### Revenue recognition

Please refer to Note 4 (17) of the Parent Company Only Financial Statements for accounting policies regarding revenue recognition; please see Note 5 (1) 3 of the Parent Company Only Financial Statements for critical accounting judgments, estimates, and assumptions regarding revenue recognition; please see Note 6 (20) of the Parent Company Only Financial Statement for disclosure of information related to income.

#### Key Audit Matters:

The operating revenue of Tahsin Industrial Corporation comes mainly from sale of products. Recognition of sales revenue is mainly to verify whether the control over goods is transferred to buyers and whether there are no non-performance obligations that may affect the acceptance of products, and also is the main indicator for investors and the management to assess the financial or business performance of the Company. As the accuracy of the amount and timing of revenue recognition has a great influence on the financial statements, we have thus included it as one of the key audit matters.

#### Audit procedures adopted:

Our audit procedures include (i) understanding and testing the effectiveness of internal control mechanisms adopted by the management on revenue recognition; (ii) sampling and reviewing records of sales revenue recognition (including shipping documents) over a certain period of time before the balance sheet date, and determining the appropriateness of recognition timing thereof; (iii) testing selected underlying transactions

before and after the end of the reporting date to verify if they were recognized in the correct period; (iv) assessing whether the risks and rewards of goods, of which the revenue had been recognized, have been transferred; and (v) performing a trend analysis on major buyers and revenues by product to determine if material irregularities exist.

#### Cash and cash equivalents

Please refer to Note 4 (5) of the parent company only financial statements for details of the accounting policies for cash and cash equivalents; please refer to Note 6 (1) of the parent company only financial statements for details of the accounting items for cash and cash equivalents and time deposits with an original maturity of more than three months.

#### Key Audit Matters:

As of December 31, 2024, the carrying amount of cash and cash equivalents and time deposits with initial term maturity date over three months (shown under other financial assets – current) held by Tahsin Industrial Corporation amounted to NTD2,116,059 thousand, accounting for approximately 21.20% of the total assets and the amounts are significant to the overall parent company only financial statements. We identified these as one of the key audit items due to the inherent risk of cash and cash equivalents and time deposits with initial term maturity date of over three months.

#### Audit procedures adopted:

- 1. Evaluate and test the effectiveness of the design and implementation of the internal control system for cash and cash equivalents and time deposits with initial terms of over three months.
- 2. Conduct significant transactions test and verification procedures for frequent bank accounts, including understanding the purpose of the bank account and reviewing relevant transaction vouchers to confirm the reasonableness of the receipt and payment of huge bank deposits.
- 3. Conduct an inventory verification process on cash and term deposits, including checking whether term deposits have provided guarantees or pledged to confirm consistency with the disclosures in the financial statements.
- 4. Obtain a breakdown of the balances of cash and cash equivalents and time deposits with initial terms maturity date of over three months and check the bank statements and the related relevant transaction voucher to confirm their existence. In addition, check the amount on the correspondence response letter for all financial institutions and examine whether there are any restricted incidents, which have been properly disclosed.

#### Financial assets measured at fair value through other comprehensive income

Accounting policies related to financial assets measured at fair value through other comprehensive income are detailed in Note 4 (6) of the parent company only financial statements; significant accounting judgments, estimates, and assumptions regarding the classification and fair value measurement of financial assets are provided in Note 5 (1) and 5 (2) of the consolidated financial statements; explanations regarding the accounting items of financial assets measured at fair value through other comprehensive income are disclosed in Note 6 (3) and 6 (7) of the consolidated financial statements.

#### Key Audit Matters:

As of December 31, 2024, the carrying amount of financial assets measured at fair value through other comprehensive income held by Tahsin Industrial Corporation and subsidiaries amounted to NTD3,084,275 thousand, accounting for approximately 30.91% of the total assets. The amount is significant to the overall consolidated financial statements. Therefore, the auditor considers these items as one of the key audit matters. Audit procedures adopted:

- 1. Evaluate and test the effectiveness of internal control systems design and execution related to investment operations, including whether transactions are appropriately approved.
- 2. Perform substantive audit procedures on financial assets measured at fair value through other comprehensive income, including verifying the accuracy of initial recognition and subsequent measurement amounts, cross-checking relevant documents, obtaining confirmations or verifying relevant documents to confirm whether collateral or pledges have been provided, ensuring consistency with financial reporting information disclosure.

Responsibilities of the Management and the Governance Unit for the Parent Company Only Financial Statements

To ensure that the parent company only financial statements do not contain material misstatements caused by fraud or errors, the management is responsible for preparing prudent parent company only financial statements in accordance with the "Regulations Governing the Preparation of Financial Reports by Securities Issuers" and for preparing and maintaining necessary internal control procedures pertaining to the parent company only financial statements.

In preparing the parent company only financial statements, the management is responsible for assessing Tahsin Industrial Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to the going concern and using the going concern basis of accounting unless the management either intends to liquidate Tahsin Industrial Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing Tahsin Industrial Corporation's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Parent Company Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards will always detect a material misstatement when it exists in the parent company only financial statements. There may still be material misstatements due to fraud or errors. If it could be reasonably anticipated that misstated amounts, individually or on aggregate, could have influenced the economic decisions made by the users of the parent company only financial statements, it will be deemed as material.

As part of an audit in accordance with the auditing standards, we exercise professional judgment and skepticism throughout the audit. We have also performed the following tasks:

- Identify and evaluate the risk of material misstatements due to fraud or error in the parent company only financial statements;
  design and carry out appropriate countermeasures for the evaluated risk; and obtain sufficient and appropriate evidence as the
  basis for audit opinion. As fraud may involve collusion, forgery, deliberate omissions, false statements, or violations of internal
  controls, the risk of an undetected material misstatement due to fraud is greater than that due to errors.
- 2. Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate under the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls of Tahsin Industrial Corporation.
- 3. Assess the appropriateness of the accounting policies adopted by the management and the reasonableness of the accounting estimates and related disclosures has made.
- 4. Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Tahsin Industrial Corporation's ability to operate as a going concern. If we believe that there may be factors causing significant uncertainties, we are required to remind the users of the parent company only financial statements in our audit report of the relevant disclosures therein, or to amend our report if inappropriate disclosure was made. Our conclusions are based on information available at the date of the auditor's report. However, future events or circumstances may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall expression, structure and contents of the parent company only financial statements (including relevant Notes), and whether the parent company only financial statements fairly present relevant transactions and matters.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the parent company only financial statements within Tahsin Industrial Corporation to express opinions on the parent company only financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine the key audit items of Tahsin Industrial Company's parent company only financial statements for the year ended December 31, 2024. Such matters have been explicitly stated in our audit report, unless laws or regulations prevent their disclosures, or, in extremely rare cases, we decide not to communicate such matters in our audit report in consideration that the reasonably anticipated adverse impacts of such communication would be greater than the public interest it would promote.

#### **Independent Auditors' Report**

To Tahsin Industrial Corporation:

#### **Audit Opinion**

Tahsin Industrial Corporation and subsidiaries' Consolidated Balance Sheets as of December 31, 2024 and 2023, in addition to the Consolidated Statements of Comprehensive Income, Consolidated Statements of Changes in Equity, Consolidated Statements of Cash Flows, and Notes to Consolidated Financial Statements (including the Summary of Significant Accounting Policies) for the years then ended, have been audited by the CPAs.

In our opinion, the Consolidated Financial Statements mentioned above have been prepared in accordance with the "Regulations Governing the Preparation of Financial Reports by Securities Issuers", which bring impact of the International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) (hereinafter referred to as "IFRSs") endorsed and effected by the Financial Supervisory Commission (hereinafter referred to as the "FSC") in all material aspects, and are considered to have reasonably expressed the Tahsin Industrial Corporation's and subsidiaries' financial conditions as of December 31, 2024 and 2023, as well as the consolidated financial performance and cash flows from January 1 to December 31, 2024 and 2023.

#### **Basis for Opinion**

We conducted our audit in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and generally accepted auditing standards. Our responsibilities under those standards are further described in the section titled "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements." We are independent from Tahsin Group pursuant to the Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other responsibilities in accordance with these requirements. We believe we have obtained sufficient and appropriate audit evidence to serve as a basis for our opinion.

#### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of Tahsin Industrial Corporation and its subsidiaries for the year ended December 31, 2024. Such matters have been dealt with in the course of auditing the consolidated financial statements and in the preparation of our audit opinion. As such, we do not respond to each key matter individually. The key audit matters for the consolidated financial statements of Tahsin Industrial Corporation and its subsidiaries for the year ended December 31, 2024 are as follows:

#### Revenue recognition

Please refer to Note 4 (18) of the Consolidated Financial Statements for accounting policies regarding revenue recognition; please see Note 5 (1) 3 of the Consolidated Financial Statements for critical accounting judgments, estimates, and assumptions regarding revenue recognition; please see Note 6 (22) of the Consolidated Financial Statement for disclosure of information related to income.

#### **Key Audit Matters:**

The operating revenue of Tahsin Industrial Corporation and subsidiaries comes mainly from sale of products. Recognition of sales revenue is mainly to verify whether the control over goods is transferred to buyers and whether there are no non-performance obligations that may affect the acceptance of products, and also is the main indicator for investors and the management to assess the financial or business performance of Tahsin Industrial Corporation and subsidiaries. As the accuracy of the amount and timing of revenue recognition has a great influence on the financial statements, we have thus included it as one of the key audit matters.

#### Audit procedures adopted:

Our audit procedures include (i) understanding and testing the effectiveness of internal control mechanisms adopted by the management on revenue recognition; (ii) sampling and reviewing records of sales revenue recognition (including shipping documents) over a certain period of time before the balance sheet date, and determining the appropriateness of recognition timing thereof; (iii) testing selected underlying transactions before and after the end of the reporting date to verify if they were recognized in the correct period; (iv) assessing whether the risks and rewards of goods, of which the revenue had been recognized, have been

transferred; and (v) performing a trend analysis on major buyers and revenues by product to determine if material irregularities exist.

#### Cash and cash equivalents

Please refer to Note 4 (6) of the consolidated financial statements for details of the accounting policies for cash and cash equivalents. Please refer to note 6 (1) of the consolidated financial statements for details of the accounting items of cash, equivalent cash and time deposits with an original maturity of more than three months.

#### Key Audit Matters:

As of December 31, 2024, the cash and cash equivalents held by Tahsin Industrial Corporation and subsidiaries and time deposits with original maturities of more than three months and more than one year carrying value (listed in other financial of assets-current and other financial assets-non-current) is NTD2,572,673 thousand, accounting for approximately 25.13% of total assets, and the amount is significant to the consolidated financial statements. Due to the inherent risk of cash and cash equivalents and time deposits with an original maturity of more than three months and more than one year, we list these items as one of the key audit items.

#### Audit procedures adopted:

- 1. Evaluate and test the effectiveness of the design and implementation of the internal control system for cash and cash equivalents and term deposits with initial terms of over three months and over one year.
- 2. Conduct significant transactions test and verification procedures for frequent bank accounts, including understanding the purpose of the bank account and reviewing relevant transaction vouchers to confirm the reasonableness of the receipt and payment of huge bank deposits.
- 3. Conduct an inventory verification process on cash and term deposits, including checking whether term deposits have provided guarantees or pledged to confirm consistency with the disclosures in the financial statements.
- 4. To obtain a breakdown of the balances of cash and cash equivalents and term deposits with initial terms of over three months and over one year and to check the balance on bank statements and the relevant transaction evidence to confirm the existence. In addition, check the amount on the correspondence response letter for all financial institutions and examine whether there are any restricted incidents, which have been properly disclosed.

Financial assets measured at fair value through other comprehensive income

Accounting policies related to financial assets measured at fair value through other comprehensive income are detailed in Note 4 (7) of the consolidated financial statements; significant accounting judgments, estimates, and assumptions regarding the classification and fair value measurement of financial assets are provided in Note 5 (1) and 5 (2) of the consolidated financial statements; explanations regarding the accounting items of financial assets measured at fair value through other comprehensive income are disclosed in Note 6 (3) and 6 (7) of the consolidated financial statements.

#### **Key Audit Matters:**

As of December 31, 2024, the carrying amount of financial assets measured at fair value through other comprehensive income held by Tahsin Industrial Corporation and subsidiaries amounted to NTD3,334,004 thousand, accounting for approximately 32.56% of the total assets. The amount is significant to the overall consolidated financial statements. Therefore, the auditor considers these items as one of the key audit matters. Audit procedures adopted:

- 1. Evaluate and test the effectiveness of internal control systems design and execution related to investment operations, including whether transactions are appropriately approved.
- 2. Perform substantive audit procedures on financial assets measured at fair value through other comprehensive income, including verifying the accuracy of initial recognition and subsequent measurement amounts, cross-checking relevant documents, obtaining confirmations or verifying relevant documents to confirm whether collateral or pledges have been provided, ensuring consistency with financial reporting information disclosure.

#### Other Matters

We have also audited the Parent Company Only Financial Statements of Tahsin Industrial Corporation for 2024 and 2023, on which we have issued an unqualified opinion.

#### Responsibilities of the Management and the Governance Unit for the Consolidated Financial Statements

To ensure that the Consolidated Financial Statements do not contain material misstatements caused by fraud or errors, the management is responsible for preparing prudent Consolidated Financial Statements in accordance with the "Regulations Governing

the Preparation of Financial Reports by Securities Issuers," as well as the IFRS, IAS, law and regulation reviews and their announcements recognized and announced by the Financial Supervisory Commission, and for preparing and maintaining necessary internal control procedures pertaining to the Consolidated Financial Statements.

In preparing the Consolidated Financial Statements, the responsibility of management includes assessing the ability of Tahsin Industrial Corporation and its subsidiaries to continue as going concerns, disclosing related matters, as well as adopting the going-concern basis of accounting, unless the management intends to liquidate Tahsin Industrial Corporation and subsidiaries or terminate the business, or no practicable measure other than liquidation or termination of the business can be taken.

Those charged with governance (including the Audit Committee) are responsible for overseeing Tahsin Industrial Corporation's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditors' report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. There may still be material misstatements due to fraud or errors. If it could be reasonably anticipated that misstated amounts, individually or in aggregate, could have influenced the economic decisions made by the users of the consolidated financial statements, it will be deemed as material.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We have also performed the following tasks:

- 1. Identify and evaluate the risk of material misstatements due to fraud or error in the Consolidated Financial Statements; design and carry out appropriate countermeasures for the evaluated risk; and obtain sufficient and appropriate evidence as the basis for their audit opinion. As fraud may involve collusion, forgery, deliberate omissions, false statements, or violations of internal controls, the risk of an undetected material misstatement due to fraud is greater than that due to errors.
- 2. Acquired necessary understanding of internal controls pertaining to the audit in order to develop audit procedures appropriate under the circumstances. Nevertheless, the purpose of such understanding is not to provide any opinion on the effectiveness of the internal controls of Tahsin Industrial Corporation and subsidiaries.
- 3. Assess the appropriateness of the accounting policies adopted by the management and the reasonableness of the accounting estimates and related disclosures has made.
- 4. Based on the audit evidence acquired, on the appropriateness of the management's use of the going-concern basis of accounting, and determined whether a material uncertainty exists where events or conditions that might cast significant doubt on the ability of Tahsin Industrial Corporation and subsidiaries to continue to operate as going concerns. If we believe there may be factors causing significant uncertainties, we are required to remind the users of the consolidated financial statements in our audit report of the relevant disclosures therein, or to amend our report if inappropriate disclosure was made. Our conclusions are based on information available at the date of the auditor's report. However, future events or circumstances may cause Tahsin Industrial Corporation and subsidiaries to cease to continue as a going concern.
- 5. Evaluate the overall expression, structure and contents of the Consolidated Financial Statements (including relevant Notes), and whether the Consolidated Financial Statements fairly present relevant transactions and events.
- 6. To obtain sufficient and appropriate audit evidence on the financial information from Tahsin Group members to express opinions on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit, and responsible for forming our opinions on the Group.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We determined the key audit matters of the consolidated financial statements of Tahsin Industrial Corporation and subsidiaries of 2024 from the matters communicated with the governance authorities. Such matters have been explicitly stated in our audit report, unless laws or regulations prevent their disclosures, or, in extremely rare cases, we decide not to communicate such matters in our audit report in consideration that the reasonably anticipated adverse impacts of such communication would be greater than the public interest it would promote.

# **Tahsin Industrial Corporation - Rules of Procedure for**

# **Shareholders' Meeting**

Amended by the Shareholders' Meeting on June 17, 2022

Article 1

Unless otherwise provided by law or regulation, the Company's shareholders' meetings shall be convened in accordance with the Rules.

Article 2

The Company shall prepare electronic versions of the shareholders' meeting notice and proxy forms, and the origins of and explanatory materials relating to all proposals, including proposals for resolution, matters for discussion, or the election or dismissal of directors or supervisors, and upload them to the Market Observation Post System (MOPS) 30 days before the date of a regular shareholders' meeting or 15 days before the date of an extraordinary shareholders' meeting. The Company shall prepare electronic versions of a regular shareholders' meeting agenda handbook and supplemental meeting materials and upload them to the MOPS 21 days before the date of the regular shareholders' meeting or 15 days before the date of the extraordinary shareholders' meeting. 15 days before the date of the shareholders' meeting, the Company shall have prepared the shareholders' meeting agenda handbook and supplemental meeting materials and made them available for review by shareholders at any time. The meeting agenda and supplemental materials shall also be displayed at the Company and the professional stock registrar and transfer agent designated thereby as well as being distributed on-site at the meeting place.

Article 3

The shareholders' meeting shall have a sign-in book for the attending shareholders to sign in, or the attending shareholders may pay a sign-in card to sign in on their behalf. The number of shares in attendance shall be calculated according to the shares indicated by the attendance book and sign-in cards handed in.

Article 4

Attendance and voting at shareholders' meetings shall be calculated on the basis of shares.

Article 5

The meeting of shareholders shall be held at the place where the Company is located or at a place convenient for the shareholders to attend and suitable for the meeting of shareholders, and the meeting shall commence no earlier than 9:00 a.m. or later than 3:00 p.m. The restrictions on the place of the meeting shall not apply when the Company convenes a virtual-only shareholders' meeting. In the event of a virtual shareholders' meeting, if the virtual meeting platform or participation in the virtual meeting is obstructed due to natural disasters, accidents or other force majeure events before the chair has announced the meeting adjourned, and the obstruction continues for more than 30 minutes, the meeting shall be postponed to or resumed on another date within five days, in which case Article 182 of the Company Act shall not apply.

Article 6

If a shareholders' meeting is convened by the Board of Directors, the meeting shall be chaired by the Chairman of the Board. When the Chairman of the Board is on leave or unable to exercise his powers and duties for any reason, the Deputy Chairman of the Board shall preside at such meeting. If there is no Deputy Chairman or the Deputy Chairman is on leave or unable to exercise his powers and duties for any reason, the Chairman of the Board shall designate a managing director to preside as the chairperson. If no managing director of the Company is appointed, the Chairman of the Board shall designate a director to preside as the chairperson. If the Chairman of the Board fails to designate a chairperson for the meeting, the managing director or the directors shall nominate one from among themselves to preside at the meeting.

It is advisable that shareholders' meetings convened by the Board of Directors to be chaired by the Chairman of the Board in person and attended by a majority of the Directors, and at least one member of each functional committee representing the committee.

The attendance shall be recorded in the minutes of shareholders' meeting. If the meeting is convened by any other person having the right to convene other than the Board of Directors, the meeting shall be chaired by the convener of that meeting. If there is more than one person with the authority to convene, the chairperson for the meeting shall be appointed from among them.

Article 7

Attorneys, CPAs or related persons appointed by the Company shall attend a shareholders' meeting in a non-voting capacity. Staff handling administrative affairs of a shareholders' meeting shall wear identification cards or arm bands.

Article 8

The entire process of the meeting shall be recorded in the form of

audio or video and these recorded tapes shall be preserved for at least one year.

Article 9

When the meeting time commences, Chairman shall announce opening of the meeting, and promulgate information about the number of non-voting seats, number of voting shares in attendance, and so on.

The Chairman may adjourn the meeting for a maximum of two (2) times and the total time of the adjournment shall not exceed one (1) hour if the shareholders representing more than half of the total number of issued shares are not present. If the quorum is still not met after two postponements, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Paragraph 1, Article 175 of the Company Act.

If, before the end of the meeting, the number of shares represented by the shareholders present reaches more than half of the total number of issued shares, the chairman may re-submit the fictitious resolution made to the meeting for a vote in accordance with Article 174 of the Companies Act.

Article 10

If a shareholders' meeting is convened by the Board of directors, the meeting agenda shall be set by the Board of Directors, the related proposals (including extraordinary motions and amendments to original proposals) shall be resolved by voting on a case by case sequential basis.

The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders' meeting. The provisions of the preceding paragraph apply mutatis mutandis to a shareholders' meeting convened by a party with the right to convene that is not the Board of Directors. The chair shall not declare the meeting adjourned prior to the completion of deliberation on the meeting agenda of the preceding two paragraphs (including extraordinary motions), except by a resolution of the shareholders' meeting.

After the meeting is adjourned, the shareholders may not separately elect a chair and resume the meeting at the original or a different venue.

Article 11

Before a shareholder attends to speak, he/she must fill out a speech slip stating the main idea of the speech, the shareholder's account number (or attendance card number) and the name of the account,

and the chairman will determine the order of his/her speech. A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail.

When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair and the shareholder that has the floor; the chair shall stop any violation.

Article 12

Each shareholder may not speak more than twice on the same motion without the consent of the chairman, and each time may not exceed five minutes.

If the shareholder's speech violates the rules or exceeds the scope of the agenda item, the chairperson may terminate the speech.

Article 13

When a legal entity is entrusted to attend a shareholders' meeting, such legal entity may appoint only one representative to attend. When a juristic person shareholder appoints two or more representatives to attend a shareholders' meeting, only one of the representatives so appointed may speak on the same proposal.

Article 14

After a shareholder has spoken, the chairman may reply in person or designate the relevant person.

Article 14-1

Where a virtual shareholders meeting is convened, shareholders attending the virtual meeting online may raise questions in writing at the virtual meeting platform from the chair declaring the meeting open until the chair declaring the meeting adjourned. No more than two questions for the same proposal may be raised. Each question shall contain no more than 200 words. The regulations in Articles 11 to 14 do not apply.

Article 15

With respect to discussion of proposals, when the chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed and call for a vote.

Article 16

The chairman shall designate the person(s) to monitor and count the votes on the motion, but the monitor shall be a shareholder. The results of the voting shall be announced on-site at the meeting, and a record made of the vote.

Article 17

During the meeting, the chairman may call a break at his discretion.

Article 18

Unless otherwise provided in the Companies Act and the Company's Articles of Incorporation, a motion shall be approved by a majority of the votes cast by the shareholders present, and the vote shall be

deemed to be approved if there is no dissenting vote after consultation with the chairman. After the conclusion of the meeting, on the same day it is held, the results for each proposal, based on the numbers of votes for and against and the number of abstentions, shall be entered into the MOPS.

In the event of a virtual shareholders meeting, this Corporation shall disclose real-time results of votes and election immediately after the end of the voting session on the virtual meeting platform according to the regulations, and this disclosure shall continue at least 15 minutes after the chair has announced the meeting adjourned.

- Article 19
- If there are amendments or substitutions to the same motion, the chairman shall determine the order of voting together with the original motion. When any one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required.
- Article 20
- The chairperson may direct marshals (or security personnel) to assist in maintaining order in the meeting. When pickets (or security personnel) help maintain order at the meeting place, they shall wear an armband bearing the word "Picket."
- Article 21
- These rules shall come into effect upon the approval of the shareholders' meeting and shall be amended as well.
